The Psychic Love-Triangle Comedy

Kyosuke is just your average high school kid, except that he and his family are cursed with psychic powers. They've just moved to a new town and are desperate to keep the neighbors in the dark about their unusual gifts. It doesn't help matters that Kyosuke has a problem that most teenagers would pay to have...two girls are in love with him!

Join Kyosuke, Hikaru, Madoka and the rest of the gang for 8 installments of outrageous comedy and bitter-sweet romance, plus the theatrical film that concludes the series and resolves the triangle.

Arcadia of My Youth

Cat # AT093-009

"The Captain Harlock Movie"

Arcadia of My Youth is the story of Captain Harlock in a battle against tyranny, joined together with those who would become his lifelong friends. The beloved Captain Harlock is best known as the legendary space pirate depicted in a popular Japanese TV series and comic book. This classic presents the conquest of Earth by the alien empire of Illumidus in the 30th Century (patterned on the Post-war Occupation of Japan). The film's message is that one must stand up for one's beliefs -- no matter the cost -- even if everyone else believes that to suffer in slavery is better than fighting to be free.

Shonan Bakusozoku

Cat # AT094-001

Teenage Student Samurai...Bikers?!

Eguchi Yoosuke is an enigma. On the one hand, he's the leader of the "Shonan Bakusozoku" biker gang, a young man whose fists are feared, and who has proven more than once that he's "the leader of the pack."

On the other hand, he's also the head of his high-school's Handicraft Club!

He's one well-behaved hooligan, when he wants to be...and he's the least weird member of his gang!

Why is this nice guy wearing leather and getting into rumbles? If you figure it out, tell us, WE want to know too!

Super Deformed Double Feature *incorporating* **Scramble Wars** *and* **Ten Little Gall Force**

Cat # AT093-004

Two self-parodies of simply sublime silliness on one tape

"SD" for short is a unique Japanese genre; incredibly cute "kiddy" versions of the original characters doing outrageous things. Ten Little Gall Force purports to be a series of out-takes from the original series in which everything that can go wrong does. Scramble Wars is a mixed up parody anime, featuring Artmic's famous characters and mecha. There's a big race taking place in the lawless land of Gaiarth, and everyone's got a secret reason why they absolutely must win the Genom trophy. It's no-holds-barred and no-dirty-deed-disallowed when the Knight Sabers, the Gall Force gang, the home team from Gaiarth and some other special guest stars raze...er, race their way to the finish line.

Just what is this "Anime" stuff anyway?

Anime (pronounced "Annie-may") is simply the Japanese word for Animation. Unlike the United States, where Animation is mainly produced for and watched by children, in Japan, Anime is created not just for children, but for adults as well. All genres are represented: Science Fiction, Fantasy, Action-Adventure, Comedy, Horror, Sports and Martial Arts.

AnimEigo (the company name is a play on "Anime" and "Eigo," which means "English") was founded to release a broad spectrum of Anime in the United States. All AnimEigo releases are uncut and unedited; they are presented exactly as the creators intended them to be enjoyed.

AnimEigo tapes and laserdiscs are available at finer comic book, video and specialty stores, or directly from us. We also have a wide variety of posters, T-shirts, original animation cels, CDs and CD ROM entertainment products.

*It's Japanese for "Totally
Insane!"*

This enchanting creature in the tiger skin bikini is Lum, Princess of the Oni, a mysterious race of very strange aliens.

When the Oni come to repossess the Earth, they give us one chance to save the planet; a champion, selected at random, must defeat Lum in their national sport tag.

Unfortunately for Earth, the champion turns out to be Ataru Moroboshi, probably the most luckless and lecherous lad in the Universe.

Unfortunately for Ataru, he wins!

Now Lum's living in his closet, planning their wedding, and zapping him with high-voltage electricity if he even looks at another woman. His girlfriend isn't sure if she's been jilted or saved from a life of misery, his Lum-crazed schoolmates are plotting to get him "out of the way," his parents are loudly wishing he'd never been born, and to top it all off, a demented Buddhist Monk has been seen lurking around the neighborhood mumbling something about evil spirits and curses.
